## SUMMER ART CAMPS 2023, JUNE 19 – AUGUST 18

### Summer Camp Registration is Open!

Summer Art Camps on the Terrace at Hunterdon Art Museum are where kids ages 5-15 ignite their creativity, learn new skills, explore their passions, and connect with others. This year we are excited to also be offering some options for toddlers and individuals with disabilities! We offer a range of camps for all interests – from sculpture and drawing to acting and anime – led by instructors who are experts in their craft. Camps are 1 week long in either the morning or afternoon. We also offer a supervised lunch. Camp will once again be held outdoors on our terrace.

Save on tuition (plus get many more perks) with a Family Museum Membership!
