

JOIN CHORALE & CHOIR

GRADES 5TH – 8TH

TUESDAY & THURSDAY
2:30 PM – 3:10 PM

ROOM 54

We will sing selections from winter and holiday songs, with lots of opportunities for solos. We will be performing our concert in December with the date and time forthcoming. Our rehearsal room, as last year, will be in Room 54, next to Mr. Kuchinsky's band room. Band members will be shared between band and chorus. Students should be picked up at the door next to the band room after each rehearsal at 3:10.

In the spring we have a trip to the Music in the Parks competition planned, being held in May at Dorney Park. We won 37 trophies at Music in the Parks competitions over the years (you may remember seeing the trophy display in the former music room); I hope your singer can participate this year, also! Information for that trip will be coming out in January. Thank you for your support in our performance organization!
