January 6, 2023

Dear Parents, Guardians, and the Del Val Class of 2027,

It is hard to believe that we are already approaching the halfway point of the 2022-2023 school year! While your child has much to look forward to during the remainder of their 8th grade year, we want to continue to provide opportunities for students and families to prepare for high school.

During the Fall, Delaware Valley Regional held a number of events for incoming students and their families to get a glimpse of some of our programs. These included visits to elementary schools, our Academy Night, and the Class of 2027 visit and tour of the high school.

The next event that Del Val will be hosting is our annual 8th Grade Student and Parent Orientation. On the evening of **February 2, 2023**, we will host an overview of our programs starting at 6:30 PM in the Auditorium. This will be followed by a tour of the school, where you will be able to attend presentations from our academic departments and extracurricular programs.

As the date of the orientation approaches, please review our website (dvrhs.org) under the Academics tab for further information and updates.

A final event for incoming freshmen before they begin high school will take place on Tuesday, August 22, 2023. The Del Val Class of 2027 gets the building to themselves in final preparation for their first day of high school during our OASIS program. More information will follow as the date gets closer.

From our meetings thus far, we have plenty of reasons to be excited about the Class of 2027. We can't wait until you are here!

Sincerely,
Michael Kays
Principal
