

CLASS OF 2023

February 14, 2023

Dear Parents & Guardians,

The PTO Graduation Dance Committee is preparing a video collage filled with wonderful memories of our 8th grade class. In order to create the photo collage, we are asking that you provide the following:

- **5 photos of your child (from birth to current day)**
- **5 group photos (friends, field trips, class parties, field days, etc. during their years at Holland School)**

Please email ALL photos to holland8thgradedance@gmail.com by Monday, March 14, 2023. Include your students name in the title line.

Students will have an opportunity to view the video the first week of June when taking a break from graduation practice. Once viewed as a class, a link will be shared with families to view at their convenience.

Last, for all our past Room Moms & Dads, if you have any class/group pictures from the past, please email them separately from your child's pictures.

Thank you for your cooperation in helping create this special memory for our children.

Sincerely,

Deenie Totten & the PTO Graduation Dance Committee
