Dear Parents and Guardians:

This school year has flown by at the speed of light, each year seems to move quicker than the one before it. Summer break is here.

I want to thank each of you for supporting our school, supporting our teachers and creating a community for our children. Thank all of you for your kind words, your patience and understanding as we continued to bring “normal” back to our children’s educational experiences. Thank you for getting your children to school on time each day, for kind notes of encouragement that mean so much, for making sure homework gets done.... And turned in. Thank you for providing rich and engaging, well-rounded experiences for your children and knowing that education is about joy, wonder and fostering curiosity, along with the development of social and emotional skills so needed to succeed. For these, and a million other things, we are truly grateful.

To those of you who are leaving us for new places and adventures, we wish you all the best. Congratulations to our very capable 8th graders who are onto a new stage in their academic career! Grab your Google calendar to mark the following important summer dates:
