October 18, 2022

Dear Parents/Guardians,

The Annual Halloween parade for students in Preschool-Grade 4 will take place on Friday, October 28, 2022. Parents/Guardians are invited on campus to watch the parade. Please note the following:

1. Parents are asked to send their child to school with their costume in a bag. Teachers and room parents will assist getting students ready for the parade.
2. If your child's costume has a mask, please be sure they can see through it.
3. If your child's costume has a weapon, it is not permitted in school or during the parade.
4. The Parade begins at 10:50. Students will walk around the track with their class.
5. Following the parade, students will return to their classrooms for their class party.
6. Class parties are only for students, teachers, and assigned room parents.
7. Please do not park in the Chiropractor's lot.
8. If it rains, the parade will be held indoors for students/staff only. A Zoom link will be shared that morning so families can virtually attend.

Please contact the office with questions. We look forward to celebrating Halloween at Holland School!

Sincerely,

Susan Wardell
