Dear Parents and Guardians:

Next week will begin this year's NJSLA testing for students in 3rd through 8th grade.

Let's work together to make your child's experience a positive and successful one! We've been preparing at school.

Here are some suggestions that we can do to help everyday:

1. Ensure students arrive to school on time
2. Have children eat a healthy breakfast
3. Ensure students get a good night's sleep
4. Encourage children to do their best

Here is the testing schedule for this month:
