November 18, 2022

Dear Parents and Guardians:

It has come to my attention that parent pick up from after school clubs and sporting events has presented an unsafe situation in our parking lot. There is confusion as to the best way to gather children during this time and assure a safe environment as they walk to their parent's car.

Beginning on Monday, November 21st when picking up your child from an extra-curricular activity please PARK your car and meet your child at the preschool door (#20). Children can then be safely accompanied through the parking lot. Children should not walk through the parking lot unaccompanied. Staff will ensure that students wait for their parent/person carpooling them.

Thank you for your assistance.

Enjoy your weekend.

Sincerely

A handwritten signature in blue ink that reads "Stephanie Snyder". The signature is written in a cursive, flowing style.
