Dear Parents/Guardians:

It is with great excitement to say "Welcome Back" to a traditional school year! We have been anxiously awaiting the start of school and cannot wait to see everyone's smiling faces on August 29, 2022.

This September marks my 24th year in education. The last two years have been trying for all of us. I feel like a "1st Year Educator" again as we kick-off this school year in a fashion we are accustomed to. Those first day butterflies are already fluttering as we inch closer to the First Day with students.

I consider it an honor to be Holland Township's Principal. The halls and walls are filled with history, pride, and a love of learning. Throughout the year, I will be showcasing and highlighting the "great things" happening in Holland by way of a weekly newsletter. Stay tuned!

Please contact me throughout the year with questions, comments, or concerns. Our partnership in supporting your children's education is paramount.

I look forward to reconnecting with you as proud members of the school community. It has been a roller coaster the past few years. I don't know about you but I think a nice quiet ride on the carousel sounds just about right!

Next Thursday, August 25th, is our annual Open House/Back to School Night.

A few reminders:
- ➢ This is an evening to see your child's classroom, meet the teachers, and learn about the year ahead. We kindly ask that parents attend without their children.
- ➢ For Middle School Parents, please print out your child's schedule from Genesis prior to the evening. We will have copies available in the event you do not have your child's schedule on hand.
- ➢ Our Specialists will also be available to meet as well.

Please look for a video welcome to the students (from me) in next week's communication.

Sincerely,

Susan Wardell
