Dear Holland Families,

As part of School Violence Awareness Week, we would like to share a Behavioral Health Toolkit resource with you. It was provided to us by The Society for the Prevention of Teen Suicide and the Department of Children and Families as a means to help educate parents and caregivers about the system of care and mental health services for all children in New Jersey.

Please review the resources provided in this link. <https://sptsusa.org/parents/>  
Paper copies will be available at parent teacher conferences and upon request.

We are also available as a source of support to all students at Holland Township School. If you have any questions or concerns or would like to inquire about supportive counseling services, please reach out to Kristen Deniz or Jennifer Leap. We thank you for working together with Holland Township School staff and to help prevent school violence.

Sincerely,

Kristen Deniz
