

HCVSD Full-Time Programs

Specialized, Hands-on Training for High School

Middle school students with a passion for the sciences are invited to attend an information session this fall to learn more about HCVSD's full-time programs for high school:

- Biomedical Sciences Academy
- Computer Science & Applied Engineering Academy
- Environmental Sustainability & Engineering Academy
- Animal Science Program

Application deadline for the 2024-25 school year is December 15th, 2023.
