

November 14, 2023

Dear Parent/Guardian:

We are pleased to announce that our school has enrolled with STOPit, by STOPit Solutions

**STOPit** is an online reporting tool designed to deter and mitigate bullying, cyber abuse, and other inappropriate behaviors, consisting of an app and a back-end incident management system for school administrators.

Our students will have access to the STOPit mobile app, which has two simple but powerful features.

Specifically, the program educates students to:

- Recognize the signs of at-risk behaviors
- Take every sign and signal seriously
- Report it anonymously through STOPit App/Web or 24/7 Incident Response Center
- Submit photo or video evidence (App/Web Only)
- Alert designated administrators to issues and risks early, before they escalate

**No personal information is needed to use STOPit.** The only way personally identifiable information will be accessible through STOPit is if a requester voluntarily includes it within the content of a request or message.

Both our school and STOPit are committed to protecting the privacy of student data. STOPit is a signatory to the [Student Privacy Pledge](#), spearheaded by the Future of Privacy Forum and the Software & Information Industry Association. You may review STOPit's [Privacy Policy](#) for details, including more information on how anonymous reporting works.

Students have the power to help put an end to harmful and inappropriate behavior they see online through social media and other means. They can use STOPit to reach out for help if they or a peer are facing a personal crisis or experiencing bullying, abuse, or are otherwise in need of assistance. Our goal with STOPit is to create safer, kinder, school communities both online and off.

Please note that we will be launching STOPit with a School Assembly on November 14, 2023. At that time, your child will learn about the STOPit app and the availability to download the app onto their personal device with your permission.

We encourage you to download the STOPit app and search for your students school using the directory. You can privately ask for help for your student, family, others you care about, or even acquaintances who appear to need help. For a video on how to use STOPit, go to: [Student Training Video](#).

Together, we can make sure everyone in our community gets what they need to thrive. Thank you!

Sincerely,

Stephanie Snyder  
Superintendent
