April 12, 2024

Dear Parents and Guardians:

We are excited to announce that we will once again be offering our Summer Academies and Summer Enrichments for the month of July. Last year's offerings were very successful and we are hopeful that even more families will be able to take advantage of the fun activities and content review that is being offered this year.

Our Summer Academies and Reinforcement will be held Monday - Thursday from 8 am - 10 am and our Summer Enrichment will be held Monday - Thursday from 10 am - 12 pm. The Summer Academies will be held for two sessions (July 1st- 11th - July 4th school will be closed, and July 15th-25th), where parents can choose for their child to be engaged in Language Arts or Mathematic activities and/or an assortment of summer enrichment. Classes will need a minimum of five students to be offered.

Transportation will NOT be provided by the district.

Please use the following Google Form to sign up for our summer academy. Please sign up each child separately.
