Dear Parents and Guardians:

December is a time for us to gather as a community and celebrate the festive happenings and so many blessings around us. We want to wish our staff, students, families, and community Happy Holidays, Merry Christmas, Happy Hanukkah, and Happy Kwanza.

It is the season of celebration and cheer with family and loved ones. It is also a time of reflection and peace; a much-needed break from our normal and sometimes stressful routines.

Holland Township is a remarkable school community. We are blessed to have wonderful teachers, support staff and administrators who give their ALL to prepare our most prized possession – your children! I've witnessed excellence in both mind and spirit, and am proud to continue serving our district as Superintendent.

We are so thankful to the entire community – a community that rallies behind its school. We have much to be grateful for in Holland and I look forward to continuing to witness the excellence of our students and staff.

Thank you to our parents and community for the overwhelming support for the work that we do as educators.

On behalf of the Board of Education and the entire faculty, our warmest thoughts and best wishes for a very happy and healthy holiday season and joyous New Year. It is my hope you will spend quality time with your family, rest, rejuvenate and take time for yourself during this holiday break.

Be Well,

Stephanie Snyder
Superintendent
