Dear Parents and Guardians:

As we head into the unofficial start of "Summer", Memorial Day weekend, I hope we all take a moment to pause and remember all of those who have made our daily joys possible. I hope that your family finds time to enjoy one another this weekend with fun and laughter.

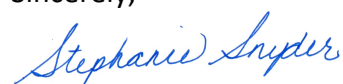

On May 30<sup>th</sup> the school will be celebrating Holland's 150<sup>th</sup> anniversary with members of the Township Committee, Holland Township Police, Board of Education, as well as the Women's Club and Historical Society with an Ice Cream social for all staff and students PreK- 8<sup>th</sup>. We are excited to celebrate this event together.

Over the next week, there will be plenty of information being sent out from school. Please be on the lookout for the following information:

1. Field day information for parents wanting to watch the festivities and for those who volunteered to help out. Please pay close attention to parking, sign in and student dismissal procedures noted on the flyers. Parents will not be permitted in the building for any of the field days, each day is a typical school day for the majority of classes.
2. Graduation information for parents and guardians of 8<sup>th</sup> grade students.
3. Summer academy and enrichment confirmation letters.
4. End of the year reminders.

As always, please do not hesitate to reach out to the school with questions or concerns.

Sincerely,

Stephanie Snyder  
Superintendent
